## 1. Executive Summary

**Sanction Recommendation:** GRANT BUILDING PERMIT SANCTION

EXECUTIVE SANCTION SUMMARY | Report ID: cd086d8b-9425-41ff-af55-0e1841f707a9

Building: 'Orchestrator Tower' (BLD-ORCHESTRATOR-001) | Type: Residential | Ward: Jayanagar (South Zone).

Official Verdict: PLAN SANCTION APPROVED — Building plan complies with all statutory regulations and municipal bye-laws (score: 99.5/100).

Readiness Score: 99.5/100 | Overall Risk Level: LOW (Score: 0.0/100).

Evaluated Rules: 5 total (5 Passed, 0 Failed, 0 Warnings, 0 Blocking).

## 2. Building Summary

| Property           | Value                | Property       | Value             |
|--------------------|----------------------|----------------|-------------------|
| Building ID        | BLD-ORCHESTRATOR-001 | Plot Area      | 500.0 m²          |
| Building Name      | Orchestrator Tower   | Built-up Area  | 900.0 m²          |
| Building Type      | RESIDENTIAL          | Height         | 12.0 m            |
| Occupancy          | Residential          | Floors         | 3                 |
| AI Classified Type | Residential (95%)    | FSI / Coverage | FSI: 1.80   60.0% |

## 3. GIS Context & Spatial Analysis

| Spatial Metric              | Observation                                     |
|-----------------------------|-------------------------------------------------|
| BBMP Ward & Zone            | Jayanagar (167) — South Zone                    |
| Masterplan Land Use         | Residential                                     |
| Nearest Road                | Jayanagar 4th Block 9th Main Road (18.0 m wide) |
| Lake Distance & Buffer      | 5013 m (In Buffer: False)                       |
| Airport Zone & Height Limit | In Funnel: False   Limit: Unlimited m           |
| Flood Risk & Heritage Zone  | Flood Risk: Low   Heritage Zone: False          |

## 4. Compliance Summary

| Overall Score | Rules Checked | Passed | Failed | Warnings | Blocking |
|---------------|---------------|--------|--------|----------|----------|
| 100.0%        | 5             | 5      | 0      | 0        | 0        |

## 5. Rule Evaluation Table

| Rule ID      | Rule Name                           | Status | Severity | Clause             |
|--------------|-------------------------------------|--------|----------|--------------------|
| BBMP-FSI-001 | Floor Space Index (FSI) Limit Check | PASSED | MAJOR    | BBMP Bye-law 7.3.2 |

|                  |                                          |        |          |                                     |
|------------------|------------------------------------------|--------|----------|-------------------------------------|
| BBMP-COV-001     | Ground Coverage Limit Check              | PASSED | MAJOR    | BBMP Bye-law 7.4.1                  |
| BBMP-HEIGHT-001  | Building Height & High-Rise Threshold    | PASSED | MAJOR    | BBMP Bye-law 8.1.1                  |
| BBMP-LAKE-001    | Lake Buffer Zone Protection Check        | PASSED | BLOCKING | KMC Act 1976 / NGT Buffer Directive |
| BBMP-AIRPORT-001 | Airport Flight Funnel Height Restriction | PASSED | MAJOR    | AAI NOC Regulations 2020            |

## 6. Prioritized Recommendations

✓ Zero compliance violations or corrective recommendations logged.

## 7. Decision Summary & Action Plan

### Top Risk Factors:

- No critical risk factors identified.

### Next Officer Action Steps:

1. Issue digital Sanction Certificate and approved plan blueprint.
1. Archive evidence bundle in municipal GIS registry.

## 8. Appendix — GIS Dataset Provenance

| Dataset Name                                      | Authority                               | License                          | Observation                                                                                             |
|---------------------------------------------------|-----------------------------------------|----------------------------------|---------------------------------------------------------------------------------------------------------|
